Attn: Application Processing Division
Customer Correction Branch

Sir:

Applicants respectfully request that the Patent Office correct the Filing Receipt for the above-identified application. In particular, the priority data is missing on the Filing Receipt. The application claims priority under 35 U.S.C. § 119(e) to application no. 60/103,115 filed on October 5, 1998.

Enclosed herewith is a copy of the incorrect Filing Receipt with the missing priority information noted thereon in red ink. To support their position, Applicant also encloses herewith, as Exhibit A, copies of page 1 of the application, the unexecuted Declaration and Power of Attorney, and the fee transmittal sheet, as filed on October 4, 1999, indicating the claimed priority to application no. 60/103,115.

Since this error is on the part of the Patent Office, it is estimated that no fee is required for this submission. However, if any fee is required, authorization is hereby given to charge the amount of any such fee to Pennie & Edmonds LLP Deposit Account No. 16-1150.

Applicant respectfully requests that a corrected Filing Receipt be issued.

In addition, since papers to establish Small Entity Status are being filed on even date herewith, Applicant respectfully requests that Small Entity Status also be noted on the Filing Receipt.

Respectfully submitted,
